Interim summary

- structure is large<sup>tops</sup> domed ~~facile~~, open + airy. Colors used include gray, blue, white, ~~something~~ black, green. Roof is high. Something with water. And people are present. Reminds me (AOC) of a mosque. ~~and~~ for previous. One site. Then no people. There is motion + activity and it's loud. There is also a pulsing sound.
- I Don't feel that this a work place but is somewhere people go like AOC a concert hall.
